

**Accessibility Awareness**

- During introductory meetings, address the fact that everyone has varying abilities.
- Remind members that the Office of Accessible Education is always available to support their needs.

**Connecting Remotely**

- Keep in mind that not everyone has stable internet connection.
- Zoom/live meetings could be difficult for some.
- Find ways to keep members engaged asynchronously.
- Consider using GroupMe or Slack for discussions/programming.

**Social Media and Image Distribution**

- Provide descriptive Captions for images and look into alt-text.
- Include captions and descriptive transcripts in videos.
- Be thoughtful about representation.
